

Audio Upgrade: Audio microphone will be installed inside the unit.

Audio Recording Distance: Up to 20ft, Better Less Than 10ft.

Due to the Legalities of Audio Recording: If you would like to order any audio listening devices, you must print, complete & sign this page and email (sharon@a1-hiddencamera.com) or fax it to us at (877) 329-8356 prior to shipment. Thank you for your cooperation.

Federal Law indicates that covert audio listening devices can only be used by government agencies. If you are not affiliated with such agencies, the only lawful way of operating audio listening devices is to use it with the supervision of an agency or use in a non-surreptitious way. For example, you can listen in to your babysitter using a nanny camera with audio upgrade - but you have to let the person know that he or she would be subjected to an audio listening device in your home.
